

TRESTLE GLEN

VINEYARDS

FAMILY OWNED AND FARMED SINCE 1974

2017 CABERNET SAUVIGNON HILLSIDE

Vineyard

The Trestle Glen Vineyard is grown using sustainable farming practices. The vineyard is located near Glen Ellen in Sonoma Valley between the Mayacamas Mountains and Sonoma Mountain. The unique microclimate, featuring underground natural hot springs and gentle ocean breeze help prevent frost in late winter and early spring. In summer and fall, warm days tempered by gentle afternoon winds off Sonoma Mountain and cool nights provide slow even ripening. Our hillside blocks have sparse gravelly volcanic soil that ensure low vigor, low yield, and small concentrated berries.

Vineyards: Block 21 and Block 22

Avg. Yield: 3.2 tons per acre

Clones: 337

Avg. Age: 18 years old

Winemaking

Grapes are harvested ripe at full maturation of flavor and color. The destemmed hand-sorted fruit is then cold soaked for 3 to 4 days. Fermented in small lots and punched down for gentle extraction. After fermenting, each tank receives extended maceration and is gently pressed to avoid harsh tannin. Our Cabernet Sauvignon is aged in only the finest tight grain French oak barrels.

Technical Data

Avg. Harvest Brix: 25.1

Alcohol: 14.7%

TA: 0.64 g/100mL

pH: 3.68

UPC: 8 60001 27790 6

SRP: \$75

Tasting Notes

Shades of dark ruby red, this classic Cabernet Sauvignon boasts aromas of violet, cassis, plum, and black cherry wrapped in an oak bouquet of toasty vanilla, mocha, caramel, and nutmeg. Rich and well-rounded luscious flavors of black cherry and berry combine with supple tannin on a lingering finish.
